## CLUB SIXES & SEASON DINNER-28 APRIL!

This year's Club Sixes and Dinner Dance events will be held at Birch Hill and Windlesham Golf Club on Saturday 28 April.

The Club Sixes is a 6 a-side tournament bringing together players, family and friends from across SBHC.

There will be BBQ food, drinks and music - hopefully in the sunshine, not snow! The Club Sixes always has a theme and each team will have their own character – look out for more details on this from Toddy!

The day is rounded off with the End of Season Dinner at Windlesham Golf Club. A night to celebrate with awards, presentations and of course plenty of dancing! Oh and partners are welcome!

### Prices

- Club Sixes Tournament £10
- End of Season Dinner £27

### It's not too late!

Recent bad weather forced the Umpiring Course to be postponed which means there is still time to sign up!

SBHC continues to struggle to find umpires each week and we rely too heavily on a few of our members to help out. The harsh reality is we don't have enough umpires, meaning next season more players will need to volunteer up if we want to continue to play hockey.

The course will be held at the start of next season so lookout for more details on Pitchero over the summer.

### Question number one...

We all think we know everything *on* the pitch, but what about *off* the pitch?

On Saturday 14 April our favourite Vets team is hosting a night of quizzing action at Cantley Park! Gather your team mates and head down at 7:30pm for a night of quizzing action. Tickets are £5 and include delicious Mexican food!

### Another step forward for Birch hill

This month Bracknell Town Council confirmed that funding for the pitch resurfacing at

Birch Hill had been included in their budget and quotes are being sought, ahead of final approval. Subject to this, we hope that the resurfacing work will be carried out during the summer. This marks a positive step towards improving Birch Hill's pitch.

### Member of the month!

Don't recognize the face? Meet Graham Lee, he's captained the Men's SuperVets for several years. On top of this, Graham is our Umpire coordinator. A relentless task often demanding time on Friday nights and Saturday mornings to ensure we have umpires for all our home games. Graham has also helped SBHC supply 2 qualified umpires to the Berks Hockey Umpire Association enabling neutral umpires for Ladies' games. This wouldn't have been possible without "our Graham". Want to say thanks to this legend? Come down to the Quiz on 14 April – Graham's hosting that too!
